6th Annual Global Convention- Report 2020-2021

OUR SUPPORTERS.

Executive Summary

Entrepreneur Café continues to represent its significant position in Indian Startup Ecosystem. The eCafe serves as a forum and a platform to be a voice for millions of entrepreneurs around the globe. The global community keeps on growing on monthly basis which brings more and more members on board and help them to be heard.

The Entrepreneur Café had organized its 6th Annual Global Convention after two years of total lockdown, The focus was to provide entrepreneurs, businessmen, govt. officers with a platform to network with the people coming from different walks of life. The event was held on 18th December 2021 which started from 10:00 AM in the morning and went up to 05:30 PM in the evening, it was attended by over 200 entrepreneurs in physical mode and thousands in online mode. The focused panel for the day was as follows: -

- 1) FutureTech in BigTech
- 2) Profitability Vs Valuation- The Ultimate Dilemma
- 3) Fearless N Flawless: HER
- 4) Future Investments for a Futuristic India
- 5) A special keynote by Atishi Merlena, MLA, Delhi Govt.

All of this was achieved by the team that had worked efficiently with the limited resources. The event gave a sense of professional understanding to the volunteers who took their time out for the event.
