The screenshot displays a web browser window with a dark-themed dashboard. The browser's address bar shows the URL `jagruti.workplace.com/work/admin/campaign_details/campaign_id=316867970310178`. The dashboard is titled "Campaigns" and includes a sub-header "Group and track multiple posts to understand campaign engagement." Below this, there are tabs for "Active" and "Completed", with "Active" selected. The main section is titled "Day 1 Pulse Check" with a green "Active" status indicator and an "Add Post" button. A question "How are people engaging with this campaign?" is followed by a note: "Avg. % of campaign read last updated on 24 December 2021. All other metrics last updated 10 minutes ago." There are two tabs, "People" and "Engagement", with "People" selected. The dashboard features three large metric cards: "Unique seen by" with a value of 743, "People who commented" with 457, and "People who reacted" with 428. Below these is a card for "Avg. % of campaign read" with a "Beta" label and a value of "-". To the right is a "Campaign sentiment" card showing a "Positive" sentiment with a green-to-red gradient bar ranging from -1 to 1, with the current value positioned near 0.5. At the bottom, a section titled "Posts in this campaign · 3" is visible. The Windows taskbar at the bottom shows the search bar, task view, and system tray with the date 25-12-2021 and time 00:23.

## TESTIMONY

### 1. Harsh Shukla

First and last post here on this platform before we get deboarded . I will love to share my experiences and as I say to all the people I know that I'm an introvert and usually don't share much with people. But yeah, let me get to the point lol. So,yes I came here on this platform thinking what will I get,what will I learn from this and at the same time I was thinking that I'm the youngest one here and how will I connect with such talented and experienced people . But, to be honest I didn't just make connections, I made a family along the way (during these 15days) and also it helped me improve my communication skills and all.

These 2 weeks were magical for me and I would love to join the yatra again and one thing else that I learnt from here is that however big or great you are your behaviour, your work, how you handle different situations these are the things that define a person. So, yes that was basically from my side .

## 2. Avinash Singh Chandel

My name is Avinash Singh Chandel

I am from Uttar Pradesh (Azamgarh)

It has been a pleasure to be on this yatra. There was so much to learn and absorb. It was wonderful to connect with some of the very bright minds. I would like to thank each one who has made this journey a great experience.

हम इस धरा के लिए बहुत कुछ करने को सोचें हैं हम सबको एक साथ एक दूसरे की मदत करते हुए कार्य करना होगा।

हम सब अलग - अलग परिवारों से आते हैं हम सब जानते होंगे कि हमें किस काम या फिल्ड में महारथ हाशिल होगी और किसी में आपको तो अगर हम अपनी ऊर्जा एक दुसरे की मदत में लगाएंगे तो काफ़ी बदलाव आ सकता है।

हम मिडिल क्लास और निम्न क्लास फैमली के बीच से आते हैं

आर्थिक स्थिति थोड़ी सही ना होने के कारण हम सोचा हुआ कर नहीं पाते।

आप सब हमें मार्गदर्शन करें और हमारे सोशल मीडिया पर जुड़े जिससे हम एक दूसरे को समझ पायें और इस देश को विश्व गुरु के रूप में जल्द ही देखें।

### 3. Sachi Tripathi

As the journey comes to an end, I'm happy to be leaving with loads of learning and beautiful experiences, new role models to look upto, new friends and a vast, warm network of like minded people who wish to contribute towards "Building India through Enterprises!"
